- Television:** This figure includes all cash revenue, including agency commission, excluding GST from free to air (including Prime) and pay television. The figures are independently collected for the New Zealand Television Broadcasters Council and reported to the ASA as a total revenue figure.
- Radio:** This figure includes all cash revenue, including agency commission, excluding GST from members of the Radio Broadcasters Association (RBA). Actual returns comprised 97% of the total radio advertising revenue for 2009. The total also includes an estimate for non-RBA members, iwi and student radio based on direct industry knowledge and projections based on market share. The figure is sourced from the Radio Broadcasters Association.
